Day of Prayer for the Legal Protection of Unborn Children

January 22

There have been over 56 million abortions since the 1973 decision Roe v. Wade and Doe V. Bolton.

The Church has designated that in all the dioceses of the US, January 22 shall be observed as a particular day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion.
