

About the Traveling Crib

The Traveling Crib program is a wonderful way for parishes and schools to support Catholic Charities' Family Support Program in offering maternity and baby items to our clients who are pregnant or parenting small children. At Catholic Charities we offer case management, classes, resource linkage, and other supports to new and soon to be mothers and families. It is through the generosity of donors to the Traveling Crib that we are able to provide much needed baby supplies such as diapers, wipes, clothes, and blankets to these families.

The Traveling Crib is set up in a parish for a month, typically the same month each year. Some churches have it in their sanctuary, Narthex, or community space. We deliver, empty, and pick up the crib – you get to fill the crib.

To schedule a month to host the Traveling Crib, please call our Traveling Crib Coordinator, Shawn Cass at 503.688.2504.

About the Family Support Program

The Catholic Charities' Family Support Program provides free services to any pregnant woman, regardless of faith. Services include case management, baby and maternity supplies (as available), parenting classes, match with a mentor, and access to professional counseling are among the many services offered. Family Support Program services are offered in English and Spanish.

For pregnant clients who are interested in an alternative to parenting, we have an adoption program which offers women access to families who meet or exceed the Oregon State requirements for adoptive families.
