

Precious Children

OF PORTLAND

We, at Precious Children of Portland, have helped over 120 women in Portland navigate difficult situations. They were able to keep their babies and make a life plan that allowed them to accomplish everything in their lives that they had hoped for and more!

That is our calling and our promise, no problem is too big or too small.

We have a peaceful, prayerful presence outside of abortion facilities. Our presence can change the hearts and minds of abortion-minded women and can also be a powerful message to the community about the tragic reality of abortion.
